

Join us... DeLaval's Profound Productivity Tour

Herd Management/Parlors
Pennsylvania July 7-9th, 2010

Your solution - everyday

You are invited to join us on tour.

Join us for 2 days of fun, relaxation and find out what's NEW with animal health, milk quality, herd management and DeLaval equipment!

We will begin at 3:00pm on Wednesday July 7th, at the Radisson Penn Harris Hotel & Conference Center in Camp Hill, PA. During the classroom session we will discuss Profound Productivity, Herd Management, and many other topics. That evening we will have a Welcome Reception and Dinner where everyone can get acquainted. The next morning we will start off with a VMS and move on to a Herringbone Parlor. We will have a cook-out for lunch, and then head into Gettysburg for a tour of the Battlefields. We will end our first day with dinner at a historic restaurant. The second day of the tour is dedicated to seeing mid-size dairies, their scales of expansion, lifestyle decisions, and profitability improvements, as well as our largest VMS dairy in the United States. Our tour will end about 3:30 pm on Friday afternoon, where you will be free to enjoy more of the area, or head home at your leisure.

Come to share ideas about managing your feed costs, controlling your herd health, and using your management skills.
