DeLaval's Profound
Productivity Tour**

Pennsylvania
July 7 - 8, 2009

Your solution - everyday

You are invited to join us on tour.

Join us for 2 days of fun, relaxation and find out what's NEW with animal health, milk quality, herd management and DeLaval equipment!

We will meet at Cabela's in Hamburg, PA on Tuesday, July 7th, where we will begin with a tour of the store at 9:30 am. Then, at 10:00 am we will begin our classroom session where we will discuss Profound Productivity, Herd Management, and many other topics. After lunch, we will board the bus and begin our dairy tour, including a tour of a VMS farm, and we will end the day with a cook-out at the last dairy. This tour features small to mid-size dairies, their scales of expansion, lifestyle decisions, and profitability improvements. Our tour will end about 4:30 pm on Wednesday afternoon, where you will be free to enjoy more of the area, or head home at your leisure.

Come to share ideas about managing your feed costs, controlling your herd health, and using your management skills.
