California Dairy Tour  
February 10 - 14, 2010

**Your solution - everyday**

**You are invited to join us on tour.**

Join us for fun, excitement and relaxation... all while you find out what's NEW with animal health, milk quality, herd management and DeLaval equipment!

Visit one of the largest agricultural shows in the United States and join us on tour.

The tour will combine a day at World Ag Expo, visits to state-of-the-art milking facilities to include Herringbone, Parallel and Rotary parlor installations, *and will include a fun-filled weekend in San Francisco.*

Take advantage of this excellent opportunity to spend quality time away from the demands of the dairy. Plus, you'll have the opportunity to visit with your peers. There is no better place than the atmosphere created by the Farm Show and Dairy Tour!

We hope to have you with us in California. Fax or call in your registration.

Contact us today, before the holidays get busy. The tour will be a fabulous "Get-Away" gift for the holidays. All you have to do is arrive in California, we'll do the rest!
