January 11 - 13, 2010

Your solution - everyday

You are invited to join us on tour.

Join us for fun, excitement and relaxation... all while you find out what's NEW with animal health, milk quality, herd management and DeLaval Calf Feeder equipment!

DeLaval will be hosting our Calf Feeder Profound Productivity Tour in LaCrosse, WI. We will begin with a Hospitality Event at 5:00 pm, on Monday, January 11th, where we will meet as a group to have drinks, dinner, and presentations by a producer's panel and our experts in the field. We will begin our dairy tour Tuesday morning at 8:00 am, and end on Wednesday afternoon, about 4:00 pm.

This tour will feature Calf Feeders, and we will see different dairy parlors, and the producer's will discuss their plans for expansion, lifestyle decisions, and profitability improvements. But it won't be all work...we will also have a Casino Night for our entertainment.

Come to share ideas about managing your feed costs, controlling your herd health, and using your management skills.
