Productivity Tour**

Calf Feeder Tour
April 4th - 5th, 2012

Your solution - everyday

You are invited to join us on tour.

Find out more about Automated Calf Feeders and what effect early life management may achieve for your calves.

See what sort of opportunities other users have found to enhance their calf management by having face to face conversations with producers who have already implemented DeLaval Calf Feeders. We will also have industry experts discussing Calf Health and Best Practices, Calf Nutrition, & Ventilation and much more!

DeLaval will be hosting our Calf Feeder Profound Productivity Tour in LaCrosse, WI, in April 2012. We begin on Wednesday at 8:00 am, where we will hear presentations by industry expert Dr. Nancy Charlton, as well as several speakers from leading universities who focus on animal health. Wednesday afternoon we travel south to our first three tour sites, and will spend Thursday touring north and traveling back to LaCrosse to depart around 4:00pm.

Come to share ideas about managing your feed costs, controlling your herd health, and using your management skills.

Fax the form or call in to register. Registration Due: March 9th, 2012

Fax: 816-891-1606 Telephone: 608-444-7050
