

Join us... DeLaval's VMS Freedom to Choose Tour

COFS & VMS Tour - Canada
September 14-17th, 2010

Your solution - every day

You are invited to join us on tour.

Join us for 3 days of touring Oxford County, SW Ontario's primary dairy production region. While there you will visit 7 DeLaval VMS barns each at various stages of construction; from being built to milking cows. This tour also features Canada's largest agricultural show - Canada's Outdoor Farm Show (COFS), where you will have a first hand look at DeLaval's VMS and a competitive AMS going head to head!

We begin with a welcome reception and dinner at 6:00pm on Tuesday, September 14th, at the Toronto International Airport - Holiday Inn. The following morning we start our tour, heading southwest to the Kitchener/Waterloo area to see our first VMS, which will be at the end of the installation process. Then, we visit three more dairies who have had VMS units installed and are milking, tracking their herd, and living with more freedom to do what they want. After a full day of touring, we will enjoy a BBQ dinner at the COFS and take you on a private viewing of the DeLaval VMS. The second day of the tour is dedicated to taking in Canada's Outdoor Farm Show. On our final day, we will see three more unique VMS installations. After our last dairy, we will travel back to downtown Toronto, for our Farewell Dinner overlooking the city from the CN Tower.

Join us for an adventure in voluntary milking...

Fax the form or call in to register. Registration Due: Monday, August 2nd, 2010

Fax: 816-891-1606 Telephone: 608-444-7050

DeLaval tours are subject to change or cancellation based on a minimum # of attendees.
